

Gyu-Kaku Named One of the Top Late Night Dining Restaurants in the U.S. by OpenTable Diners

Torrance, California – August 25, 2011 – Gyu-Kaku announced today that it has been named a winner of OpenTable Diners' Choice Awards top 50 Late Night Dining Restaurants in the United States. The list of winners is derived from more than ten million reviews submitted by OpenTable diners for more than 12,000 restaurants in all 50 states and the District of Columbia.

Restaurant Quote: "We are very pleased by this acknowledgment from OpenTable diners," said Darin Kato. "We are proud to know that these diners thoroughly enjoyed their overall experience at Gyu-Kaku Torrance and gave us such high marks. We also want to congratulate the other restaurants in California which were also part of the list."

OpenTable Quote: "The best late night restaurants list is one of OpenTable's most important awards, as this category is particularly helpful to our network of diners, said Caroline Potter, OpenTable's Chief Dining Officer. Even in major metropolitan areas, not every restaurant has cultivated an amazing late-night scene – but these fifty winners have! OpenTable congratulates Gyu-Kaku on elevating the after-hours dining culture in their city."

Based on feedback collected from OpenTable diners between August 2010 and July 2011, the 50 award-winning restaurants received the highest scores. For more information about all of the restaurants on this list, please visit <http://www.opentable.com/latenight>.

About OpenTable, Inc.

[OpenTable](http://www.opentable.com) is a leading provider of free, real-time online restaurant reservations for diners and reservation and guest management solutions for restaurants. The OpenTable network delivers the convenience of online restaurant reservations to diners and the operational benefits of a computerized reservation book to restaurants. OpenTable has more than 20,000 restaurant customers, and, since its inception in 1998, has seated more than 200 million diners around the world. The Company is headquartered in San Francisco, California, and the OpenTable service is available throughout the United States, as well as in Canada, Germany, Japan, Mexico, and the United Kingdom. OpenTable also owns and operates topable.com, a leading restaurant reservation site in the United Kingdom.
