*Served raw or contains raw ingredient - Please let us know if you have allergies. Our food may contain MSG, eggs, soy, milk, wheat and/or nuts. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase risk of foodborne illness. Request a manager if you have any special diet or allergy concerns before ordering food. We apologize for the inconvenience but due to safety purposes, BBQ items, raw seafood/meat items, hot soup, and noodle soup items are not available for takeout. Actual presentation may differ from images on the menu.

Calorie information is based on standard recipes and product formulations. Variations may occur due to differences in preparation, serving sizes, ingredients, or special orders. 2000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request.

⚠️ indicates that the sodium (salt) content of this item is higher than the total daily recommended limit (2,300 mg). High sodium intake can increase blood pressure and risk of heart disease and stroke.
