

YOUR SAFETY IS OUR PRIORITY

We want you, our valued guest, to enjoy the best and safest Yakiniku experience possible and we are committed to the following Gyu-Normal (“new normal”) guidelines. We carefully monitor and comply with the COVID-19 guidelines from the CDC and local authorities.

Here are the actions we’re taking to ensure your safety!

HEALTHY MEMBERS

Employees exhibiting any symptoms or with a temperature greater than the limit set in your Gyu-Kaku’s jurisdiction will not be allowed to enter the restaurant.

PROTECTIVE EQUIPMENT

All employees will wear masks. They will also wear gloves and face shields, if required by your Gyu-Kaku’s local rules.

TABLES & MENUS

Table settings have been simplified. Tables and menus will be wiped and disinfected prior to each guest’s arrival. Disposable menus will be provided where required.

AMBIANCE

We will lower the volume of the music in the restaurant, but please know that we are doing our very best to provide upbeat service and that we are smiling behind our masks.

Each table is equipped with a ventilation system within the grill. The air at Gyu-Kaku is circulated and refreshed every seven minutes. That is approximately 3.5 times faster than traditional restaurants.

We have launched Gyu At Home, our brand-new delivery and online ordering program. We have designed the Gyu At Home menu to allow our guests to bring Gyu-Kaku home. Please visit www.gyu-kaku.com/order to order from our Gyu At Home menu. The Gyu At Home menu is only available for delivery and takeout; Gyu At Home is not available for dine-in.
